AHMED ALI

TEACHER | ASPIRING DEVELOPER

House 2/1-B Street#19 G7/2 Islamabad │ ahmedext57@gmail.com │ +923056572669

SUMMARY

Computer Science Teacher with strong experience in guiding students. Currently advancing skills as a Full-Stack Developer, combining a teaching background with hands-on development practice to deliver effective learning, innovative solutions, and future-ready applications.

PROFESSIONAL EXPERIENCE

MyAcademy - Skills Corner   **May 2025 - August 2025**
- Founded and led "MyAcademy – Skills Corner," a 4-month program teaching computing and web development tools including ChatGPT, MS Word, Excel, and web technologies.
- Managed two batches of 12 students, designing curriculum, delivering lessons, and mentoring students to build practical digital skills.

MyAcademy   **August 2023 - Present**
- Co-found and manage "MyAcademy" with my mother, teaching Computer Science as the core subject along with other academic subjects for students from grades 6–10.
- Design lesson plans, conduct assessments, and use digital tools for attendance and performance tracking to improve engagement and academic growth.

PROJECTS

- **Personal Portfolio Website:** Built with HTML, CSS, and JavaScript, showcasing academic and teaching experience, with responsive design and smooth navigation.
- **Student Attendance Automation (Python Script):** Automated attendance tracking and WhatsApp notifications for absentees, improving efficiency at MyAcademy.
- **Study Notes Collection:** Created structured digital notes covering poems paraphrasing, exercise solutions, algorithms, C++, JavaScript, and CSS to support student learning.

SKILLS

Programming: C++, JS, Python, HTML, CSS
Frameworks & Tools: Node.js, Express.js, Git/GitHub

Productivity: MS Word, MS Excel
Editing: Adobe Lightroom, Premier Pro, Canva

EDUCATION

Bachelor in Computer Science   **Sep 2023 - Onwards**
IMCB H9 - Affiliated from Quaid e Azam University
- Currently in 5th Semester. (CGPA = 3.6)

Intermediate - ICS Physics   **Sep 2021 - August 2023**
Punjab Group of Colleges PCSI Islamabad
- Percentage = 88%

ADDITIONAL INFORMATION

- **Languages:** English, Urdu, Spanish
- **Certifications:** Gained practical skills in programming (C++, Web Development), video editing, and related areas through structured online tutorials and real-world projects.
- **Hobbies:** Creating study notes, exploring and researching emerging mobile phone technologies.
